

*The only thing you will regret when  
you get to heaven is that you didn't go  
sooner*

March 13

The Bible indicates that God created heaven so wonderful that we cannot even imagine the extent of its true wonder. Try to imagine the awesome experience you will have ... golden streets, no pain, no tears, no sin ... you will never get tired or hungry, and the temperature will be perfect. God said it would be even better than you can imagine.

Trust me, 100 percent of the people who have gone on before us are doing much better than we are and, I believe, given the choice they would choose to remain where they are. For the believer who takes their last breath on planet Earth, we can be assured their greatest day is yet ahead.

*Prayer for Today*

Thank You, God, for such a wonderful future. I'm excited about eternity. Father, Your Word tells me to keep busy with Kingdom expansion until You come. I commit to do all I can to build Your Empire on planet Earth. Show me how to be a better steward of my time on Earth and give me Your eternal perspective for my life.
