

***Every message should be something
the hearer can take with them and
share with others***

May 22

Normally, when we go to market and purchase items for future use we place them in some container, preferably with handles, so as to make our valued items safe, secure, and easy to carry with us. It is the same with God's Word. Arranging the Word of God in easy to remember and easy to carry packaging will assist us along life's way.

When we take the time to teach people principles from God's Word and when people give their time to hear what we have to say, it is vital that we package our message in such a way that it's easy to carry home. Every message should be something the hearer can take with them and share with others.

Prayer for Today

Father, thank You for Your Word; please give me a deeper understanding of it daily. Help me to be a doer of Your Word, and not just a hearer, and Father, place someone in my life I can give Your message to. Give me Your words of wisdom as I share with others.
