

*No one of us can do everything, but
each one of us can do something*

May 31

God has given the church an enormous responsibility - to make disciples of every nation. This involves preaching, healing, teaching, giving, administering, building, and many other tasks. If we had to fulfill this task as individuals, we might as well give up without trying. It would be impossible. But God calls us as members of His body where some of us can do one task and some can do another.

We cannot do everything, but each one of us can do something. The key to success in the body of Christ is unity, everyone doing something and doing it in harmony. Together we can serve Him more fully than we can alone. It is a human tendency to overestimate what we can do alone and underestimate what we can do together. As the body of Christ, we can achieve more functioning together than we would dream possible merely working by ourselves. Join your life and strength to others to get the job done.

Prayer for Today

Lord, remind me that I am a part of the Body of Christ on this earth. Help me to connect to those around me in a meaningful manner. Thank You for bringing people into my life. Let me be a blessing to all those I serve. Thank You Sir, Amen.
