

***You will never do anything on any day
that is not called today***

October 1

God wants to transform you into the image of His Son, Jesus. It is possible for you begin this life changing encounter today. A wise man once said that even a journey of a thousand miles begins with the first step. If you are willing to take the first step and pray, God is willing to begin this process of transformation today. Go ahead: be the kind of person who trusts God and puts their faith into action.

You will never do anything on any day that is not called today. Today is your day! Go for it.

Prayer for Today

Oh God, make me the kind of person you are well pleased with and begin the transformation today. Give me the grace to embrace the challenges of life knowing that You are right here with me, guiding me through on my way to Your best for me.
